3hr Load In Food Trucks       2.00pm

2 hr Load In                        2.30pm

1 hr Load In                        3.30pm

No Car Entrance                  4.00pm (You will have to walk in stand)

All Stands Set Up                 4.30pm

Market Commences:            5.00pm

Market Finishes:                 9.00pm

Cars Allowed Offsite:            9.15pm

We have 3 specific load in times that need to be adhered to so we can avoid congestion. Check what time you ticked you need to load in on your form and then stagger your load in throughout the 2 hour period so we can be quick getting you in.

### **MARKET ACCESS**

Address Green Point, Brighton. It may not come up in Maps so type in 5 Esplanade, Brighton.

- Turn into Green Point Car Park where there will be mini signs to show you direction.
- Drive straight into the Car Park
- Turn Left after you have passed the Memorial where you will be greeted by a UE Staff member, give them your STALL NO and they direct you to your pitch along the Bay Trail
- STRICTLY NO Driving on the Main Bay Trail along the front area on the Esplanade as this will force council to cancel the market.

## **CARS**

Parked Behind Stall Vertically Stalls 1-15, FT1, 31-34, 35-49

Cars Parked in Overflow Area onsite or horizontally if room are 16-27, 28-30, 50-52, FT2. Your car can be parked close to or behind your stall on the day depending on your car size and position. No cars will be parked offsite this time. UE Staff will advise on the day of your position if you are in scheduled to be in Overflow Area.

## **FOOD TRUCKS**

You are not allocated a number so drive to the dedicated area and we will park you in a line as you arrive to make it easy for everyone

## **FOOD TRUCKS POWER**

You have been allocated power as per form and this is listed on stall form. If you are not listed you cannot access power and will have to supply your own. You have been invoiced for power post event \$15 for 15amp and \$10 for 10amp. Bring 2 x 20 m extension cords

## **MARQUEES**

Council have instructed us that there is NO pegging allowed onsite so please bring weights as per our policy [here](#)

## **LOAD OUT**

Please start packing up your stall at 9pm and then once you have finished packing everything at 9.15pm you can leave.

## **LIGHTING**

Sunset is around 8.27pm for February & 7.51pm for March

All stallholders will need to provide their own light to operate and for their patrons to be able to see so lights just out the front of their stall is ideal. Battery or solar lights are the best unless you have your own generator. There will be general onsite light

## **MARKET DAY PHONE**

Please text any queries (with your stall number & business name) to Paul 0411 239496 do not ring unless emergency.

Failure to notify us of non-attendance will affect your rating with us for future markets
